NEED TO KNOW PARTICIPANTS:

Tom Gibson, American Iron and Steel Institute: Thomas J. Gibson served as Senior Vice President of Advocacy for the American Chemistry Council. Previously, Gibson served as the Senior Vice President, Government Affairs for the Portland Cement Association. Prior to joining PCA in 2004, Gibson served as Chief of Staff for the U.S. Environmental Protection Agency. Previously, Gibson was the associate administrator for the EPA's Office of Policy, Economics and Innovation. Additionally, Gibson worked as majority deputy staff director and majority counsel from 1995-2001 for the U.S. Senate Committee on Environment and Public Works. From 1993-1995, Gibson served private-sector clients in regulatory and legislative affairs with Don Clay Associates, Inc. He was with the EPA previously for two years as a congressional liaison specialist and the Raytheon Company for five years after service in the U.S. Navy from 1979-1985. Gibson received his law degree from Georgetown University where he graduated magna cum laude. He holds a Master of Marine Affairs degree from the University of Rhode Island and a B.S. in Naval Architecture from the United States Naval Academy.

John Ferriola, Chairman of AISI, and Chairman, CEO and President of Nucor: Mr. Ferriola joined Nucor Corporation in 1991 as Manager of Maintenance and Engineering at the Jewett, Texas bar mill. In 1995, he was named General Manager of Nucor's Grapeland, Texas joist fabrication division. Later the same year, he was named Vice President and General Manager of Nucor's Norfolk, Neb. bar mill. From 1998 to the end of 2001, he served as Vice President and General Manager of the Crawfordsville, Ind. sheet mill. In January 2002, John was appointed as Executive Vice President and in September 2007 was named Chief Operation Officer of Steel Making Operations. He became President and Chief Operating Officer and a member of the Board of Directors

in January 2011. On November 16, 2012, Nucor announced that its Board of Directors had elected John to the position of Chief Executive Officer and President, effective January 1, 2013. He currently serves as the Chairman of the Board of Directors of the Steel Manufacturers Association (SMA) and as Vice Chairman of the Board of Directors of the American Iron & Steel Institute (AISI). John has been active in the Association for Iron and Steel Technology (AIST) for over 20 years and has served on its board of directors. He has also served on the Board of Directors of the National Association of Manufacturers (NAM).

Lourenco Goncalves, Chairman, President and CEO, Cliffs Natural Resources:

Lourenco Goncalves was appointed Chairman, President and Chief Executive Officer of Cliffs Natural Resources Inc. in August 2014. Since joining the company, he has implemented and has been executing a strategic initiative designed to strengthen Cliffs' position as a major supplier of iron ore pellets to the U.S. steel industry. Mr. Goncalves brings more than 30 years of experience in the metals and mining industries, as well as extensive Board experience, in the United States and abroad. He served as Chairman of the Board, President and Chief Executive Officer of Metals USA Holdings Corp., a leading American manufacturer and processor of steel and other metals, for over 10 years. He

currently sits on the Board of the American Iron and Steel Institute, and served as a board member of Ascometal SAS, a manufacturer of special steel headquartered in Paris, France, from October 2011 to April 2014.

Phil Bell, President, Steel Manufacturers Association: is President of the Washington, D.C. based Steel Manufacturers Association (SMA). Prior to leading the SMA, Phil served as Director of External Communications and Public Affairs for Gerdau Long Steel North America based in Tampa, Fla. He is a 25-year industry veteran, who developed an interest in the steel industry and manufacturing in the late 1980's while working in maintenance and operations at Elementis Chromium in Corpus Christi, Texas. He has held executive level positions in operations, human resources and public affairs with Gerdau, the SGL Carbon Group, and Qualitech Steel Corporation. Mr. Bell currently serves

on the U.S. Department of Commerce International Trade Advisory Committee on Steel (ITAC 12), advising the Secretary of Commerce and United States Trade Representative on trade policy, trade agreements, and other trade related matters that benefit U.S. businesses, workers, and the economy.

Tracy Porter, President and Chief Operating Officer, Commercial Metals Company:

Mr. Tracy L. Porter is an Executive Vice President - CMC Operations of the Company. Mr. Porter joined the Company in 1991 and has held various positions within the Company, including General Manager of CMC Steel Arkansas at Magnolia, Arkansas, head of the Company's Rebar Fabrication Division, and Interim President of CMC Americas Division. Mr. Porter served as Vice President of the Company and President of CMC Americas Division from April 2010 to July 2010. Mr. Porter was appointed Senior Vice President of the Company and President of CMC Americas Division in July 2010 and Executive Vice President, CMC Operations in September 2016.
